Educational background:

Ph.D in Pharmacy (thesis submitted, May 2017)

Department of Pharmacy

Delhi Institute of Pharmaceutical Sciences & Research (DIPSAR), New Delhi

Thesis: Anticancer activity of few selective plants

Master of Science, 2010(July) CGPA 8.66

Department of Pharmacology and Toxicology,

National Institute of Pharmaceutical Education and Research, Guwahati

Thesis: Anti-inflammatory and analgesic activity of *Alternanthera brasiliana*

Bachelor of Pharmacy, 2008 (69.66%)

Uttar Pradesh Technical University, Lucknow (Uttar Pradesh), India

Diploma in Pharmacy, 2004 (64.57%)

Delhi Institute of Pharmaceutical Sciences and Research (formerly College of Pharmacy), Delhi University, Delhi

Qualified GATE- Pharmaceutical Sciences, 2007 AIR-6562.

Qualified GATE- Pharmaceutical Sciences, 2008 AIR-1258 (95.37 percentile).

Qualified GPAT, 2010 AIR- 2219.

Award:

Book prize for securing II position in Masters at NIPER, Guwahati

National merit scholarship (2008-2010)

Article published:

Kumar S, Bajaj S, Bodla RB. Preclinical screening methods in cancer. Indian J Pharmacol. 2016;48(5):481-6.
