VISION
To be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas and thereby, cater to the health needs of the people at large.

MISSION
To provide able leaders, administrators and personnel who can take up responsibilities as pharmaceutical sciences professionals, suitable for community, industries and institutions related to health.

OBJECTIVES

• to provide infrastructure and research facilities to disseminate the advanced knowledge to the students in various branches pharmaceutical sciences through innovative teaching-learning processes with inter-disciplinary approach such that they grow their wisdom to acquire all kinds of knowledge and generate new ideas;
• to educate and train manpower for the development of the country and establish linkages with industries for the promotion of science and technology;
• to develop the spirit of internationalism and competitiveness in students such that they develop new original ideas and make new discoveries and inventions to make a strong society;
• to encourage students for, acquiring self-confidence, self-respect and self-dependence and instil moral values in students making them well disciplined;
• to pay special attention to the improvement of the social and economic conditions and welfare of the people from the health point of view.
From The Vice Chancellor's Desk

With the first convocation held in Delhi Pharmaceutical Sciences and Research University (DPSRU) in 2018, it is now getting transformed from latent phase to active phase and internationalization. In 2018-19 our University initiated a dialogue for collaboration with the first Pharmacy University of the World China Pharmaceutical University, Nanjing, China. We signed MoU for collaborative research project with Hunan University of Chinese medicine, Changsha, China. Stavropol State Medical University conferred “Honorary Professorship” which is second only the honor being given in 80 years to a non-Russian Professor. Our University had representatives from Malaysia, Thailand, Syria and Sri Lanka. In addition, we had Guest lectures by Prof. Naranjan S. Dhalla, Winnipeg, Canada, Prof. Asher Kimchi, USA, Prof. Pawan singal, Canada and many others.

Hon’ble Chancellor Shri Anil Baijal, called for making DPSRU as the Centre of Excellence for Herbal Research, exploring various Bio-diversities and collaboration with top institutions in India and the world. This call was given by him after inauguration of the International conference on “Challenges for Global Competitiveness of AYUSH and Natural Products and IASTAM Oration and Award Function” in February 2018 that attracted over 700 delegates with 100 top scientists and academics. Establishment of ‘World Class Skill Centre’ for health and wellness is another step taken up by Hon’ble Dy. CM Shri Manish Sisodia for DPSRU.

During the year 2018, orientation program was held not only for students but also for staff with the first Faculty Development Program (FDP) of the University. During this FDP, distinguished personalities like Shri Cyrus Mistry, Dr. G.N. Singh, Prof. Sridhar Dwivedi, Prof. S. K. Gupta, Prof. R.C. Deka, Dr. Arun Agarwal and Dr. Manish Diwan shared their expertise motivated facts.

To expand horizons and promote research activities, the University entered into MoU with National Government institutions like Translational Health Science and Technology Institute (THSTI) and National Institute of Pharmaceutical Education and Research (NIPER) Raebareli, and other institutions and hospitals like Al-Hawash Private University, Syria, Apollo Hospital, New Delhi, Lloyd Group of Institution, Alniche Pvt. Ltd and Cognitrex Pvt. Ltd.

DPSRU has strong legacy of 55 years as college of pharmacy started in 1964, upgraded to research institute in 2004, DIPSAR and this year it got status of the Nodal office for Quality Improvement Programme (QIP) of All India Council for Technical Education. DIPSAR conducted four QIP in 2018-19. After getting the status of University, the intake capacity of the Diploma, UG and PG/Ph.D. courses increased from 180 and 35 in 2014-15 to 400 and 120 in 2017-18 respectively. The number of courses being offered in Diploma, UG and PG / Ph.D. also increased from 2 and 6 in 2014-15 to 5 and 15 excluding Ph.D. courses. In 2019-20, we are starting many other new courses like PG Diploma in Clinical research with Apollo Hospital Research & Education (AHRE), Skill development courses in Sports Sciences and Beauty & Wellness.

Our faculty members published over 200 papers, filed 2 patents and got 56 awards. In addition to academic activities, various extra-curricular activities were organized within and outside the campus of the university. Some of such activities include celebrations of World Physiotherapy Day, World Pharmacy Day, National Pharmacy Week, Independence Day, Republic Day, National Voter’s Day, Annual Sports Day and National Science Day in addition to festivals like, Lohri, Vasant Panchami etc.

On behalf of the University Staff and Students including our founder institute DIPSAR, I acknowledge mentors of the University, and alumni for their constant support. I welcome on behalf of DPSRU, the aspirants of admission to this progressive University, I am sure seekers of admission to the University will feel highly satisfied and will have a bright career.

Prof. Ramesh K. Goyal
Delhi Pharmaceutical Sciences and Research University (DPSRU), is the first Pharmacy University of India, established by an Act 7 of 2008 of State Legislature of Delhi as a State University vide Notification No. F. 2(412)/2008/SB/Vol. II/71 dated 21.01.2010 and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its own departments and constituent colleges in regular mode vide notification No. F.9-19/2015/(CPP-I/PU)dated 22nd September 2015. Delhi Government implemented legislation of 17th October, 2008 (Delhi Act 07 of 2008) made the University functional by notification on 24th July, 2015. The University is recognized by UGC under section 2f. NBA had accredited earlier M. Pharm. (Pharmacology) at DIPSAR, the constituent college of the University. Various courses of the University are approved by statutory bodies like Pharmacy Council of India (PCI); All India Council for Technical Education (AICTE) and Delhi Council for Physiotherapy and Occupational Therapy (DCPOT). The University is also running Skill Development Courses in Health & Wellness of World Class Skill Centre of the Department of Training & Technical Education, Delhi.

**A Journey in Brief**

Profession of Pharmacy and Pharmaceutical Sciences has been one of the most dynamic fields in the healthcare system that has undergone several paradigms shifts in last century. Beginning with simple plant-based dispensing of drugs, it changed to chemistry based modern medicines with industrial revolution in the world. The profession of pharmacy in 20th century shifted from product oriented pharmaceutical sciences to patient-centered system by which pharmacists started to assume new responsibility as clinical pharmacist. The traditional pharmacy education also changed from production-oriented knowledge development to clinical and hospital-based training institutions or colleges of pharmacy. With advances in genomic technologies, and personalized medicine, the profession of pharmacy cannot remain in a single capsule of mere pharmacy institution but requires expansion to the level of University wherein, various disciplines can come together to keep pace with the development and provide effective means of health care need to the world.

The journey of the University started in 1964 as “Department of Pharmacy” of Department of Delhi Training and Technology Education, Government of Delhi. It became 'College of Pharmacy' with the starting of B. Pharm. course in 1972. M.Pharm. course was also added and in 1979 moved from small Polytechnic at Kashmiri Gate to bigger campus Pushp Vihar.

Keeping pace with developments of clinical pharmacy in India it got upgraded to Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) and now enacted as the University, the first University of Pharmacy in India.

The University has currently following units:

1. Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR)
2. School of Pharmaceutical Sciences
3. School of Allied Health Sciences and School of Physiotherapy
4. Academy of Sports Sciences Research and Management (ASSRM)
5. DPSRU Innovation & Incubation Foundation (DIIF)
6. Yoga and Fitness Centre
7. World Class Skill Development Centre of DTTE, New Delhi

The university now runs D. Pharm., B. Pharm. B.P.T., B.Sc. (Sports Science) with pharmacy focus and PG courses like M. Pharm.(Cosmeceutics, Drug Regulatory Affairs, Pharmaceutical Analysis, Industrial Pharmacy, Pharmaceutical Biotechnology, Pharmacognosy, Quality Assurance, Hospital Pharmacy, Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, Clinical Research); MBA (Pharmaceutical Management); MPH (Master of Public Health); MHM (Master of Hospital Management) in addition to Ph.D. Programs and Certificate courses in Yoga, Sports Fitness and Yoga Application, Sports Digitalization & Fitness management and Beauty & Wellness Consultant.

PLACEMENT REPORT 2018-19

The placement cell, DPSRU stands committed towards getting the best possible opportunities for its students by providing them with a thriving platform and the best exposure. DPSRU is concluding its final placement for the year in leading National & Multinational companies at all levels including undergraduate, postgraduate, Ph.D. & Diploma students. Like previous years, the DPSRU continued to enjoy immense confidence from the corporate world as substantiated by the remarkable placement season for the session 2016-17 & 2017-18. The university has left no stone unturned to bring the biggest names in the industry on campus. Be it the R&D giant, Novartis or Eli-Lilly, each and every company that has visited the college so far has been amazed by the talent the students have to offer.
During 2018-19, the University witnessed participation of various esteemed organizations offering roles across various domains including formulation development, clinical research, business analysis, production, quality assurance, research & development, hospital & community pharmacy and sales & marketing. Various companies including WNS (Value-edge), IQVIA, Dr. Reddys, Zyla, Abbott, Cipla, Novartis, ZS Associates, DRG, Eli-Lilly, BresMed, Walter Bushnell, BresMed, PhronesisJubilient Generics, Turacoz, Mankind, Troikaa Pharmaceuticals, Cogntirex, Fortis, SanyogEntreprise, Fortis Healthworld, Tata Consultancy, Stellarixetc. participated in the recruitment process of our students. The companies offered package of 5.0 to 8.5 lacs for M.Pharm. and 3.5 to 6.2 lacs for B.Pharm. students.

On the whole, DPSRU has yet again bettered its previous records imparting the best of opportunities to its students and had another successful year with the placement process for M. Pharm. students. Most of the B. Pharm.& D. Pharm. students showed their interest for higher studies and B. Pharm. students cleared the GPAT examination.

In addition to recruitment, the placement cell of University coordinated the activities like arranging Job training, industrial visits and career guidance lectures to students. University has arranged summer training of 120 students of D.Pharm. in various Government and Private hospitals. The summer training of M.Pharm. and B. Pharm. students is arranged in WNS, Cogntirex, Hospitals, Quintiles IMS etc. The placement cell has organized workshops including Workshop on Career Awareness entitled ‘I am a Pharmacist-Do I know my industry!’ in collaboration with SIHMRICI and APTI Delhi State Branch. In addition to it, various expert talks on resume writing, aptitude test, presentation techniques, interview skills, group discussions were arranged. The placement cell has started the soft skill training programme in the university for M. Pharm. and Ph.D. students.
